

PROLONGED FIELD CARE COLLECTIVE (PFCC)

Since 2014, PFCC has been the leader in bringing relevant digital content to SOF medics and clinicians working in austere environments around the world. Our content is used by U.S. and allied military SOF units, as well as regular military and other governmental organizations, non-governmental organizations (NGOs), and civilian organizations.

PFCC is known for:

- the Prolonged Field Care podcast
- the prolongedfieldcare.org site
- supplemental educational materials

THE WEBSITE

- Vast array of educational materials, original blog posts, and downloadable content
- Widely known as a touch point to other official medic-targeted websites

THE REACH

- Website is visited over 8,000 times a month from over 100 countries
- 18,000+ followers on Facebook
- 14,800+ followers on Instagram
- 2,000+ connections on LinkedIn

THE PODCAST

- Hosted by Dennis Jarema, 18D RN, with many thought leaders and subject matter experts in austere medicine
- Available on Spotify, Amazon Music, Apple Podcasts, YouTube, and more
- Used as supplemental educational material in Special Operations Forces medical and Special Forces Austere Care, as well as USU and other training venues
- Average of 10,000 downloads per episode

Prolonged Field Care Collective is powered by:

WAYS TO SUPPORT PFCC

Your gift will directly impact the training of SOF medics and professionals working in rural, remote and austere environments. Financial support not only enhances critical education and training for military and EMS providers, but directly increases the quality of medical support provided by these medics and professionals.
